Dimension Insights ⓘ

Overview of the sizes and aspect ratios of the images in your dataset.

[Class ⌄] [Tags ⌄]

The dashed lines represent the **median width** (640 px) and **median height** (640 px) of images in your dataset.

Images

Click a node or drag over an area on the scatter plot to view the corresponding image(s).

| Sizes	9443 total images		Aspect Ratios	
large 6377	67.5%		square 5337	56.5%
jumbo 2477	26.2%		tall 310	3.3%
medium 563	6.0%		very wide 2593	27.5%
small 24	0.3%		wide 1170	12.4%
tiny 2	0.0%		very tall 23	0.2%
			extra wide 10	0.1%

Annotation Heat Map ⓘ

Shows you where most of your annotations are. Color gradients signify the number of annotations per grid cell.

Images

Drag over an area on the heat map plot to view the corresponding image(s).

Legend (# of Annotations Per Grid) ⓘ

| Min (0) | Q1 (20) | Median (180) | Q3 (1284) | Max (3012) |
